CHOOSE STEPPING STONES FOR YOUR Fall, Winter, & Spring ADVENTURES

CREATE FRIENDSHIPS!

Peer groups connect over new interests and special activities.

LEARN LIFE SKILLS!

Whether you are away from home for the first time or a seasoned veteran, camp allows participants to practice life skills in a safe and nurturing environment. Camp is empowering and promotes independence and self-esteem.

BE YOURSELF!

Discover what you enjoy doing, be silly and try things that are out of your comfort zone. Disconnect from technology and be YOU in a judgment-free zone.

BE ACTIVE!

Programs provide structure and fun. Keep your body and your mind active while participating in new activities such as science exploration, archery, nature hikes and sports.

CARE FROM TRAINED STAFF!

Program staff members are predominantly college-age students who are studying related fields and receive direct training on topics including First Aid/CPR, activity leadership, and participant safety. Nurses are on-site during all waking program hours. All staff undergo background and reference checks.
