Summer 2018 Program Guide

STEPPING
STONES

CELEBRATE!

GO OUTSIDE!

The outdoor, nature based environment, with indoor program spaces, allows for exploration in a camp atmosphere.

CARE FROM TRAINED STAFF!

Paid program staff members are predominantly college-age students studying related fields, and they receive over 80 hours of direct training on topics like First Aid/CPR, activity leadership, and participant safety. Nurses are onsite during all waking program hours. Lifeguards ensure that water areas are safe. All staff have background and reference checks. Staff are assisted by volunteers.

BE ACTIVE!

Camp provides structure and fun during the summer months. Keep your body and your mind active while participating in group activities like art, fitness, cooking, boating, swimming, fishing, and hiking.

LEARN LIFE SKILLS!

Whether you are away from home for the first time or making a new friend, camp allows participants to practice life skills in a safe and nurturing environment. Camp is empowering and promotes independence and self-esteem.

BE YOURSELF!

Discover what you enjoy to do, be silly, and try things outside of your comfort zone. Disconnect from technology and be yourself in a judgment-free zone.

**A pre-camp interview is required for first-time camp participants.
Pre-camp orientations will be held March 25 (Given Campus – Day Camp)
and April 15 (Allyn Campus – Overnight Camp)**

Please RSVP for the session you plan to attend at 513-965-5108.
