CHOOSE STEPPING STONES FOR YOUR Fall, Winter, & Spring ADVENTURES

CREATE FRIENDSHIPS!
Peer groups connect over new interests and fun-filled special activities.

LEARN LIFE SKILLS!
Whether you are away from home for the first time or a frequent guest, camp allows participants the opportunity to practice life skills in a safe and nurturing environment. Camp is empowering and promotes independence and self-esteem.

BE YOURSELF!
Discover what you enjoy doing, be silly and try things that are outside of your comfort zone. Disconnect from technology and be YOU in a judgment-free community.

BE ACTIVE!
Programs provide structure and fun. Keep your body and your imaginations active while participating in new activities such as science exploration, archery, nature hikes and sports.

CARE FROM TRAINED STAFF!
Program staff members are predominantly college-age students who are studying related fields and receive direct training on topics including First Aid/CPR, activity leadership, and participant safety. Nurses are on-site during all waking program hours. All staff undergo background and reference checks.

GO OUTSIDE!
Our outdoor, nature-based environment allows for exploration in an interactive and exciting camp setting.

CAMPUS TOURS
We invite you to schedule a campus tour to meet our staff and learn more about our programs and services!
