

**Stepping Stones utilizes a three step process for program enrollment.**

1. The first step is to complete an Annual Participant Application which provides a thorough profile of the participant enrolling for program services. (This Application expires one year from the date of the Physician's signature on the Master Medical Form.)

**NOTE: You can now do steps 1 and 2 online by going to [www.steppingstonesprograms.org](http://www.steppingstonesprograms.org) and clicking on the green "Register Now" button. (If you register online, you do not have to fill out a paper Application or Registration.)**

2. The second step is to complete a Program Registration selecting program choices from the various seasonal offerings.
3. The third step is to have a Physician complete, sign and date our Master Medical Form.

**The Annual Participant Application, Master Medical Form and Registration** must all be received before consideration will be given for program enrollment. Partial or incomplete forms will be returned for completion.
