ESSENTIAL FUNCTIONS OF A VOLUNTEER

To ensure safety and the best volunteer experience possible, Stepping Stones has established a few requirements for those volunteering in our programs for individuals with disabilities.

- Be age 13 or above
- Able to follow directions and perform tasks without supervision
- Able to understand and respect confidentiality
- Able to model appropriate behaviors at all times
- Ability to be aware of surroundings as they pertain to the wellbeing of those we serve
- Able to safely travel across uneven terrains and inclines while assisting participants in navigating between program spaces
- Able to engage in socially appropriate interactions
- Possess strong communication skills
