Arts & Crafts: Painting, sculpting, drawing and creating are featured in these activities..

Nature: The creek beckons as we explore the nature around us. Studying local flora, outdoor skills and enjoying the soothing sounds and smells of nature will entertain us all summer.

Swimming: Our pools are supervised by certified lifeguards and staff. Rafts, noodles and other fun pool toys make this time so much fun.

Lakefront: Was that a nibble? We catch a lot of fishing while enjoying the view of the lake. Supervised by certified lifeguards. Everyone is required to wear a life jacket.

Unit Time: Unit Time is planned by each individual group staff to meet the needs and interests of that specific group. This time consists of group activities, art projects or creative games.

Special events occur during the summer include sled riding and talent shows.
